MEETINGS FIRST AND THIRD MONDAYS, 8 P. M.

March 23, 1943

The special meeting to hear protests on the proposed special assessment for the improvement of Foote Street and 68th Street, was called to order by Mayor Van Moreland at 8:13 p.m. in the fire house. Councilman Marquette, Wells, Roberts and Moran were present.

Harry E. Donn of 507 68th Street questioned the cost of the street and why \$3.00 was charged and the street not finished. Mayor Moreland explained how the figure was reached.

William Shook of 6300 Foote Street had no complaint but asked whether the \$3.00 per foot was for a completed street. He was informed by Mayor Moreland that that amount was for the street as it now stands. Mayor Moreland said a small assessment would be made when the hard surface is placed on the roadbed.

Clarence Josey and Leroy Davis were both present but made no complaint. The meeting adjourned at 8:45 p.m.
